Explorers and scientists from National Museum of the Great Lakes visit MBC one Saturday a month at 3:30pm for an interesting winter afternoon. No charge for MBC, I-LYA/AYC members and guests!

January 18:

- Titanic the Great Lakes

Commemorate the loss of the *Titanic* with this overview presentation of the ship, its building, first trip, and sinking. Throughout we will look at Great Lakes connections to this story.

Feb 15:

- Great Lakes Top 10: Our National Story

Ten of the most important national stories that came from the Great Lakes. Learn more about the National Museum of the Great Lakes with our very own Top Ten list!

March 15:

- Ships, Shipping, Shipwrecks

This talk explores the many resources for people interested in Great Lakes archaeological research.

April 5:

- Edmund Fitzgerald: What Really Happened?

Explore a brief history of shipping on the Great Lakes that leads up to the impressive *Edmund Fitzgerald*. She had an exciting life during the 18 years that she sailed, often carrying record breaking loads. Her loss on November 10, 1975 still puzzles many to this day. We will explore several of the prevailing theories on her loss.
