

What is I-LYA?

I-LYA is an association formed by 147 clubs located in Ohio, Michigan, Indiana, New York, Pennsylvania, and Ontario.

I-LYA serves as a watchdog for proposed legislation that may affect water based activities especially in the Lake Erie area.

I-LYA represents member clubs by sending delegates to 5 major boating organizations.

I-LYA sponsors winter and spring meetings which serve as an opportunity for members to socialize, learn and share information.

Through its foundation, the Inter-Lake Yachtsmen's Fund, **I-LYA** supports training, education and Junior activities.
