

North Cape 'Cruising News'

Sailing season is finally here and it's time to sign up and join us! We have a **May 15th** deadline for the entire season of events.

It is imperative that cruisers/racers make their own reservations for docks with the various marinas and state you are with the NCYC group. The only exception is Leamington where the Port Captains make reservations for everyone, and cruisers pay after they tie up and talk to customs.

After reservations are made, please email cruisingfleet@ncyc.net and let us know which trips and ports you are planning to attend. We will pass this information on to the Port Captains, which are already lined up and have so generously volunteered their time to optimize fun for all!

2026 Cruising Details

NCYC Home Port Warm-Up Cruise

Friday | May 29: Weekend kicks off with a group dinner at the Harbor Hook and Grill (6:30pm) in Bolles Harbor. Over dinner we'll discuss the weekend's events and Saturday's sailing plans. We'll finish our day with a night aboard our boats.

Saturday | May 30: Breakfast (9:00am) at North Cape (*cooked/served by volunteers*), We set sail at 10:30am for our day's destination (TBD depending on weather conditions). We'll sail back to NCYC for games & activities on the beach, followed by a 'Pizza and Salad Dinner' (*cost to be determined*). We'll wrap up our night with an evening bonfire on the beach to share sailing stories (and maybe a few tall tales?).

Sunday | May 31: Wake up for 'Rooftop Coffee and Donuts' (10am), followed by a short sail (*optional*).
